

The Equestrian Interschools Committee is happy to announce that we will be commencing the Interschools season on the 18th October 2020 and dates for events following this will be confirmed in the coming days.

The first event will be held in Wexford Equestrian Centre, hosted by Orla Roche and her team and will incorporate the 2019-2020 final. Further details will be posted in the near future. This event will also be the first for the new season.

Please note that due to the current situation with regard to Covid 19 the 2020-2021 season is likely to have a reduced calendar of events. This is unavoidable due to current circumstances. Events will be run following HSI Covid guidelines that are in place and being adhered to by Equestrian Centres.
